

# Clearly

*Blue Bags are a better way to recycle in the Boundary*

**Film Plastic**

**Cardboard**

**RIGID PLASTICS**

**PAPER**

## Recycle Outside the Box

### Recycle with the Bag!

Starting July 4 residents of Grand Forks and many residents of Area C (Christina Lake) and Area D (Rural Grand Forks) will have bi-weekly curbside pickup for household recyclables.

Residents using the depots will also see some changes in the way they recycle at the depots.

#### What's New?

- **ONLY** transparent bags can be used for recycling. Blue Bags can be purchased at local stores. Film plastic (plastic bags) is now included in the recycling program.
- Glass is **NOT** included in the Blue Bag program.

**ZERO WASTE**  
imagine no garbage
